Promoting Preservation in the 21st Century

SPONSORSHIP OPPORTUNITIES

Tennessee Preservation Trust • Statewide Preservation Conference
Chattanooga, TN • April 30—May 2, 2015

Become a sponsor of the Tennessee Preservation Trust Statewide Preservation Conference, the largest statewide gathering of professional preservationists and enthusiasts in Tennessee. This annual event draws community leaders, realtors, preservation planners, historians, do-it-yourselfers, and property owners from across the state, from both large and small towns. Sponsoring the TPT Conference is a highly visible, cost-effective way to reach community leaders, property owners, and partners at the local and state levels as they gather and foster new ideas and solutions for preservation-based revitalization, economic prosperity, and protecting our historic and cultural resources.

Since 2000, the Tennessee Preservation Trust Statewide Preservation Conference has worked with its partners to bring together heritage supporters from across the state for educational sessions, tours, and networking opportunities. The annual conference travels around the state and showcases the unique historic character of a different community each year.

The 2015 Conference will be held at The Read House Historic Inn & Suites in Chattanooga and will extend over three days. The Conference will begin on Thursday, April 30th and continue through Saturday, May 2nd. Updated information on the conference including session topics and speakers can be found on the TPT website at www.tennesseepreservationtrust.org.

The Tennessee Historical Commission recognizes the tremendous educational opportunity of a statewide preservation conference and will once again be a Premier Sponsor. We invite other companies, organizations, and individuals from around the state to show their commitment of Tennessee's historic and cultural resources by supporting the 2015 Tennessee Preservation Trust Statewide Preservation Conference. Opportunities to be a sponsor are listed on the following page.

Local Partners—Donations, Marketing, and Volunteer Opportunities

The Statewide Preservation Conference would not be possible without strong local support by institutions, businesses, and organizations. In past years, valuable venue space, equipment, furniture, and services have been donated. Others have promoted the Conference within their own organization by sharing their mailing list, distributing Conference registration programs, and encouraging members to register for the Conference. If you are interested in being a local partner, please contact Mona Lisa Warren at mona@preservetn.org.
